

## How to Request College Credit for the EDFMTC

For the benefit of our students, ASMC participates in the American Council on Education's (ACE®) Transcript Service. The ACE Transcript Service offers a lifelong record for students who have successfully completed our EDFMT Courses that have been reviewed by ACE CREDIT. This service enables adult learners to present a nationally recognized transcript to the college or university of their choice for the potential award of academic credit. For more information, visit the ACE CREDIT® Transcript Service website at [www2.acenet.edu/credit](http://www2.acenet.edu/credit).

To qualify for 3 semester hours in government accounting or government accounting and finance, you must earn a score of 70% (C) or higher in the course for lower-division undergraduate credit. A score of 80% (B) or higher in both the course and a research paper (completed within 6 months of the course) is required for upper-division undergraduate credit.

If you qualify and would like to request credit for your academic record, follow the steps below. Each college or university reserves the right to accept or reject any transfer credit. Therefore, **it is important to check with your school before requesting a transcript from ACE.**
